MISSION STATEMENT

The American Women's Club of Korea (AWC) is **a diverse, supportive and welcoming community** dedicated to cultural exchange, learning, service, and friendship in an environment of mutual respect, compassion and understanding.

We believe in **celebrating our differences** and **providing a space for meaningful interaction** to support and empower each other. Anyone who shares these views — regardless of nationality — is encouraged to join. Our members hail from across the globe and share a passion for engagement with others, as well as for learning about and making a positive impact in Korea.
